# From Executive Director Kelly Elliott

It is with great pleasure to present to you our FY2024 Annual Report of the Mississippi State Fire Academy. As we continue to adapt to this ever-changing environment, this year, we stayed true to our commitment to excellence and our dedication to our state fire service.

Not uncommon to transitional education, our methods of course delivery require new and innovative ways that connect to students and provide an educational experience conducive to meeting the responsibilities of public safety, while maintaining consistency in standards of training. Utilizing technology through online course delivery and application of hybrid programs, MSFA continues to offer a firm development platform that ensures adequate standards of training throughout our state.

The Mississippi State Fire Academy remains committed to providing training and educational excellence that is certain to “make a difference when it matters the most.”

### **State Fire Academy Mission Statement**

To serve the Mississippi Fire Service Community and the World by providing quality education and training in fundamental and advanced skills to save lives and property.

*"Making A Difference When It Matters The Most!"*

The State Fire Academy is committed and responsible for the training and education of personnel engaged in municipal, county, and industrial fire protection. This student body consists of career, volunteer, and industrial fire personnel. The Academy consists of 4 Groups: 1) Firemanship 2) Professional Development 3) Special Operations/Industry 4) Strategic Operations & Advancement, and the Administration/Support Staff.

The Academy delivers quality training and instruction to the fire service/emergency response personnel of the State, while adhering to high ethical standards, promoting cooperation among staff with efficiency and integrity in their work while representing the Academy in a professional, courteous, and helpful manner at all times, and safeguarding the assets of the State. The Academy is committed to providing excellent service to its customers by providing training based on National Fire Protection Association (NFPA) standards as well as specialized courses not addressed by NFPA.

### **Statewide Goal and Benchmark**

#### **Public Safety and Order**

To protect the public's safety-by providing training to first responders/emergency responders.

The training students receive from the Academy provides them the skills necessary to save lives and property, which will in turn, lower the insurance fire rating which determines the premium rates on business and homeowner's insurance.

## **Enabling Legislation**

### **MS Code Annotated Section 45-11-7:**

The State Fire Academy was created for the purpose of training and education of persons engaged in municipal, county, and industrial fire protection.

The Academy is officially designated as the agency of this state to conduct training for fire personnel on a statewide basis to all duly constituted fire departments.

### **MS Code Annotated Section 45-11-5:**

Creation of a separate account known as the “State Fire Academy Fund” for the deposit of a tax of one-half of one percent ( $1/2$  of 1%) of the gross premium receipts of fire insurance policies levied in the state.

### **Senate Bill 2362 of the 2016 Regular Legislative Session:**

The above legislation changed the direction of the funding received by the Fire Academy to go to the state general fund effective July 1, 2016, in addition to diverting all cash in the account to the state general fund.

### **MS Code Annotated Section 45-11-7:**

The Academy is designated as a division (sub-agency) of the Insurance Department.

### **MS Code Annotated Section 45-11-203:**

Within one year of employment, all paid full-time firefighters shall be certified as completing the mandatory training requirements administered by the State Fire Academy.

### **MS Code Annotated Section 83-1-39:**

Requires one member of the sheriff’s department to be the county fire investigator and to attend training at the State Fire Academy in arson investigation.
