## FIREGROUND LEADERSHIP

Course Hours:	40
Maximum Enrollment:	20
Course Fee:	\$250.00
Date of Delivery:	2026
Course Description:	This course is designed to address the management needs of first-in-engine company officers or officials who are responsible for emergency response actions, including the direct supervision of other fire personnel, before the arrival of higher-ranking departmental officials. The main focus of the course is to advance the ability of the initial officer in charge of the scene of a fire situation to safely manage the response actions of assigned personnel. The course curriculum includes preparation for response, decision-making, and tactical operations.
Prerequisite:	Firefighter 1001-I-II, Driver Operator, Fire Instructor I, Fire Officer I
Testing:	None
Other:	Students must bring NFPA-approved structural firefighting protective clothing. This includes a helmet, coat, pants, boots, hood, and gloves. Students can bring their department-issued SCBA, or a campus SCBA will be provided.

## FIRE MANAGEMENT 101

Course Hours:	40
Maximum Enrollment:	24
Course Fee:	\$250.00
Date of Delivery:	2026
Course Description:	This course is designed to assist the fire service leaders in addressing information not normally found in other Academy courses. The course focuses on the individual fire officer and varied management and supervisory issues. Information presented will assist the fire officer in making informed decisions required for personnel supervision and organizational change. Specifically, participants will be introduced to subjects such as: the legal aspects of providing fire protection, purchasing laws and regulations, equipment management issues, auditing issues, organizational relationship to the Mississippi Rating Bureau, sexual harassment, and conflict resolution.
Prerequisite:	Firefighter 1001-I-II, Driver Operator, Fire Instructor I, Fire Officer I
Testing:	None
Other:	Participants are encouraged to wear fire department uniforms while attending. <b>No casual attire.</b> Participants with access to laptop computers are strongly encouraged to bring them to class.

## Mississippi Executive Fire Officer Program / Fire Officer 1021-III-IV

### **This Course Is Accredited by IFSAC and PROBOARD**

Meets or exceeds NFPA 1021 for Fire Officer Level III and IV

Course Hours:	200 hours
Maximum Enrollment:	15 per cycle
Course Fee:	\$1000.00
Course Description:	<p>This comprehensive course is designed to provide senior officers and others in key leadership roles with an understanding of advanced fire service management and administrative skills as well as the ability to conduct research, analyze data, and develop solutions to complex issues. Candidates will enhance their professional development through completion of the NFPA 1021 Fire Officer III and IV certification course. The Mississippi Executive Fire Officer program spans one year and includes four sessions conducted at the Academy. All candidates must complete an Applied Research Project (ARP) that relates to their organization before attending the last session of the course. Completion of the ARP is a prerequisite for participating in the last course session and a requirement for graduation. Graduates will receive state credentials and recognition as an Executive Fire Officer, along with certifications for Fire Officer Level III and IV.</p>
Prerequisite:	Firefighter I-II, Fire Instructor I-II, Fire Officer I-II
Audience:	Chiefs of Departments or equivalent positions of management in the fire service (Senior Fire Instructors, County Fire Coordinators, Officers who manage shifts, programs, or divisions, etc.)
Testing:	Testing will involve the evaluation of various projects completed both on and off-campus. These assignments will be graded on the candidate's understanding of the problem, ability to research and apply information, ability to develop viable solutions, and ability to present findings professionally. Testing will also consist of written examinations conducted during the delivery of the course.
Other:	<p>Students are asked to wear fire department uniforms while attending upper-level classes. <b>No casual attire.</b></p> <p>This program is writing and time sensitive. Basic writing skills are necessary to complete this course. As stated in the NFPA standard, students must be able to analyze data and communicate both orally and in writing. Students will be required to write a college paper while attending this class. <b>ALL APPLICATION DOCUMENTS MUST BE SUBMITTED BY FEBRUARY 1, 2026, TO BE CONSIDERED FOR THE MEO CLASS.</b> Contact the Professional Development Group for the Mississippi Executive Fire Officer Application Process &amp; Form.</p>

## NATIONAL FIRE ACADEMY PROGRAMS

Through its courses and programs, the National Fire Academy (NFA) works to enhance the ability of fire and emergency services and allied professionals to deal effectively with fire and related emergencies. The Academy's delivery system is diverse. Courses are delivered throughout the state with local fire training organizations and local colleges and universities.

### TO REGISTER FOR NFA COURSE DELIVERED IN THE STATE OF MISSISSIPPI

No course fee; however, you must pre-register through the MSFA/NFA coordinator or local host contact to ensure reserved seating.

Classes are subject to cancellation or rescheduling by the NFA.

Minimum and maximum enrollment policies may be enforced by the NFA.

Meals will not be served during weekend classes.

NOTE: Students attending National Fire Academy courses must have completed IS-100 and IS-200 levels of training.

**All locations and dates may be subject to change. Registered students will be notified of changes.**

INSTRUCTOR CHIEF DONNY COLLINS
